4. Expenses: In addition to the payments set forth above, the Guild agrees to reimburse the Instructor the following expenses necessarily incurred by her to fulfill her obligations herein:

- **Travel:** The Guild is responsible for roundtrip airfare from Spokane, WA, airport parking fees and ground transportation, meals, lodging while en route and during the engagement. Roundtrip airfare shall be reimbursed by Guild at time of purchase (including surcharges for early boarding if using Southwest Airlines and two checked bags if applicable). Instructor will book her own flights and will attempt to find the lowest reasonable airfare, unless other arrangements are approved in advance. If the Guild books the ticket, Instructor reserves the right to approve the flights and seat assignments in advance of booking.
- Please note that travel will occur the day BEFORE my visit to your guild, and your guild will be responsible for my lodging for that night. This is to ensure that both the trunk show bags and I arrive in time for your guild's meeting. Traveling can be exhausting and it is difficult to give a lecture/trunk show or class the same evening after traveling all day to get to you. Due to the full day workshop and distance travelling, return travel will occur the day AFTER the workshop.
- **Lodging:** The Guild agrees to provide hotel or motel accommodations for the Instructor during the time required for the completion of the Instructor's commitment herein. Please provide a single, non-smoking room with high-speed Internet that can be accessed via an indoor entrance without having to climb stairs (either first floor accommodations or a hotel/motel equipped with an elevator). If possible, lodging at Hampton Inn is preferred, if that hotel is within a reasonable distance of the workshop and lecture venues.
- **Meals:** The Guild agrees to reimburse the Instructor for meals in a sum not to exceed \$45 per day for the duration of the Instructor's commitment, unless the meals are provided by the Guild and/or included with the hotel reservation. The Guild is not responsible for entertaining the Instructor after her classes or workshops.
- **Shipping:** All shipping fees related to supplies used for class or for a sample of the class project shall be reimbursed by the Guild.
- All fees set forth in this section shall be paid by the Guild to the Instructor immediately upon the completion of the final lecture or workshop.

5. Publicity: Photos, biography, supply lists and other information may be taken from the KristinLaura.com website to promote the lecture and workshop.

6. Sales: Instructor will have patterns and notions for sale before and after lectures and workshops. Sales of these items will not interfere with lecture and workshop time. The Guild will not collect any fees or commissions on these sales.

7. Cancellation: If cancellation by the Instructor occurs within 60 days of the planned workshop/lecture, Instructor will provide an equivalent and/or appropriate substitute for the scheduled workshop/lecture. If cancellation by Guild occurs within 60 days of planned workshop/lecture, Guild will reimburse the Instructor an amount equal to 50% of agreed upon workshop/lecture fees. No penalty occurs for either Instructor or Guild if cancellation occurs prior to the 60-day period. Cancellation can be made by telephone, fax or e-mail but must be followed by a registered letter unless otherwise agreed upon.
