## VIRTUAL TEACHING CONTRACT FOR 2021-2022

Thank you for your interest in my work. This agreement is made between KRISTIN ECHOLS (hereinafter referred to as Kristin) and \_\_\_\_\_, (hereinafter referred to as Guild) for the following service(s):

\_\_\_ Virtual Live Lecture/Trunk Show: (\$200/60-minute lecture/trunk show, plus Q&A)

\_\_\_ Virtual Live Workshop(s): (\$500/6 hours of instruction for up to 20 students)  
(\$400/4 hours of instruction for up to 20 students)

**1. Virtual Live Lecture/Trunk Show:** The lecture usually lasts 1 hour. Kristin will make herself available for questions and answers immediately following the lecture. The virtual lecture is open only to members of the hosting guild. If multiple guilds are co-hosting/attending, additional fees will apply. Recording/distribution/streaming of presentation is not permitted.

- Meeting link will be sent to non-hosting party, at least 1 week before date.
- Guild is responsible for sending link to members, being careful not to post the link to public forums or to non-guild members.
- The Guild will designate an attendee to help participants with Zoom access issues.
- Kristin is not responsible for Guild members' internet access and connectivity issues.
- Participants may not record or photograph any portion of Kristin's presentation.

**2. Virtual Live Workshop:** Maximum enrollment for workshops is 20 students per class.

- Up to 8 additional students may be added for an additional fee of \$15 per student.
- Each virtual workshop seat is good for ONE viewer. Students may not "sit in" if they have not paid their own fee for the workshop(s).

- For workshops with more than 12 students, it is helpful if the guild provides a moderator to check-in students, help with Zoom technical issues, and monitor the class for questions to be passed on to Kristin. The moderator does not count toward the maximum enrollment.
- A guild member should be designated as a contact person for class members who are having trouble connecting to the workshop.
- Kristin will host her workshop(s) using her own Zoom account.
- For 1-day, 6-hour workshops, a 45-60 minute break will be included midway through the workshop.
- Kristin will send advertising materials and supply lists to the guild as soon as possible after booking.
- A color PDF pattern will be emailed to each student one week prior to the workshop. It is the student's responsibility to print the pattern if desired.
- Guild representatives are responsible for advertising the workshops as much as possible. Guild is free to open class seats to attendees outside the guild.
- Workshop students will be working in their own locations and supply their own internet access and devices. Kristin is not responsible for the student's internet quality and connectivity issues.
- It is strongly recommended that students log in 15 minutes early to test connectivity/audio/camera so workshop instruction can start on time.
- Audio/video recording and/or distribution of workshop and handouts is prohibited.
- A private Facebook group will be setup for workshop attendees only. It will be open for 30 days after the final workshop session and will allow students to ask questions, post work-in-progress photos, and access all the videos shared during the workshop. Students must have a Facebook account in order to participate in the private group.
